*For the items prices in ranges, the cost of the PACE depends on the Subject. For example, the Math PACE for Level 8 would cost ₦400 but the Social Studies PACE which includes the PACE text and the Activity Pac would cost ₦700.*

*Your quote from the office would give you the specifics but it would be helpful for planning purposes to work with the higher cost of the range. Regarding the electives for the secondary level, an Academic Projection towards graduation is*

*ESSENTIAL to provide an accurate costing for the course of each student. The school will need to work with an adviser from the National Office to set this up correctly.*

*Please note that all the above prices are subject to change without notice because of the effect of foreign exchange on the prices of the products whether printed in Nigeria or ordered internationally.*

*The National Office will do its best to give as much notice as possible of price changes where it is possible.*

*Costs have been calculated on the basis of 12 PACEs in 5 Subjects (60) for one academic year. We recommend charging a little extra above what is presented above to cover the costs of score keys and to build a reserve that will allow you to purchase PACEs ahead of when students will need them.*

*Levels 1-3 have 12 score keys per subject per level so the cost of the score keys are the same as the costs for the PACEs. From level 4 upwards the score keys for three PACEs are combined into one so the costs for the score keys for those levels are less.*

*This costing above is still based on the cost of 12 PACEs in 5 subjects. If the student is using 4th edition then you would want to include Literature and Creative Writing as well in which case you would subtract ₹21,600.00 from the Expanded curriculum and add it to the cost above to present the costs for core subjects.*

*Score keys for coloured curriculum are the same as the black and white curriculum for the 3rd edition. For the 4th edition, level 1 & 2 have 12 scorekeys per subject. Level 3 has 12 score keys for Math and English and the combined score keys for the other subjects. Score Keys for levels 4 upward are combined score keys.*

*The recommendation for expanded curriculum is a maximum of 2 additional courses for a total of 7 course at a time. For a student doing 2 additional courses, the cost would be as above.*
